March 4 ,2019 meeting minutes reviewed and approved with the following addition:

Tom suggested at the March 4th that the committee should request funding and the committee was told by the Town Manager that there was no money in the budget.

Committee reviewed the spreadsheet of tax comparisons in order to approximate tax revenue from the properties under the various options.

Visitor Josh Antrim arrived.

Committee member Pan joined the meeting at 8pm.

Review of the latest slides - for example title page, objective and committee responsibilities. The committee also reviewed option slides 1, 3, 5. There was general agreement that the slides will no longer be numbered but will have names that define what they are in order to avoid the appearance of preference for one over another.

Scheduled next two meetings for Thursday March 14 and Monday March 18 at 7pm.

Motion to adjourn at 9:03pm. All in favor.
