Old Business:

Outcome with the conservation committee. Working on putting together the proposal for tree removal. If we cannot re-do paving, could we use a permeable pavement.

Brett to prepare an estimate of first tee box renovation.

Order of importance: front of building; first tee box, structural renovations to the patio area. Windows (building).

First tee area: \$18,000 (rough estimate).

Tree quote: Put on hold until discussion with Conservation Committee takes place.

National Grid: Should hear from them in a few days. Mainline to cut around. Schedule them to come into and send town bill.

Net on 7: Cut all around the net postings. May be able to arrange a bucket truck. Capital improvement. Net repair 7 to be a capital improvement.

Junior Program: Every Friday Johnson School kids have been coming over for a 2-hour golf camp. Real camp for next year.

Interview of golf professional from Beverly for next year. Junior golf program.

Evaluation report: Prior was done in 2018. Handed out forms and determined when we should hand back. Holding off on next meeting for comments on the survey.

Something needs to be cohesively: We need to tie it in when willow road is paving. Town improvement of the back patio. Brett to get estimate for paving and Jim to bring estimate to Tony Barletta. Half a day with sand if he gets loader.

New Sand for Bunker: Need loader to be functional.

Course Report:

- Dry Conditions
- Total Rounds: June: 4,200 compared to 3,500 last year;
- July 4,700 rounds
- Total for YTD 16,000 compared to 22,000 from last year.

For next meeting

New Business

- Somebody needs to make contact with the wedding people with the parking. Front of the restaurant all the way down.
- Needs to be more signage (either from us or them). Subject to towing.... Who is the person in charge?
- Make a phone call.

Next Meeting: **September 14 Wednesday, 7:50**
