Draft of OSRP

Received from Courtney Lewis of MAPC on March 1, 2022. Page by page review by committee members present, to be sent back to Courtney for further editing. Paula has some questions. Nancy had sent him some further information regarding photo credits, as well as more photos for possible inclusion. Paula will ask Courtney whether proposed April 5th date is still appropriate for our Community Forum to present the draft plan report.

CPC issues

It was decided to postpone discussion of grant proposals which concerned OSR until the next meeting, as it is lengthy.

Pickleball

Cora Long was asked to unmute and discuss her pickleball concerns. She requested that the OSRP Committee endorse the community petition, signed by over 100 people, to change one of the two new tennis courts into 4 pickleball courts. She was told by BoS member that there might be a community survey to gather more data. We expressed our willingness to help, based on that response. She will report back to our next meeting.

Next Meeting

Paula to let us know when, based on response from Courtney.

Adjournment

Meeting adjourned with motion by Ellen, which was seconded by Nancy.
Approved by Paula, Ellen, Trish, Nancy

Respectfully submitted to the Town Clerk's Office, after approval at the April 27, 2022 meeting of the Open Space and Recreation Plan Committee.
