

Envisioning homes for all Nahanters

The Town of Nahant is in the process of completing a Housing Production Plan that will help guide development and meet the housing needs of Nahanters. An advisory committee of Nahant residents are guiding the planning process with support from the Metropolitan Area Planning Council.

Do you have ideas about what kinds of housing Nahanters need? Do you want to learn more about how to keep Nahant affordable?

We Want to Hear from You!
