

Chapter 115 Benefits/Safety Net Program

The **CH115 program** is a collaborative effort between the Executive Office of Veterans Services of Massachusetts and the Town of Nahant. For Veterans and their families who are facing financial difficulties, the **CH115** program may be able to provide our local veterans with financial assistance when needed.

Veterans may be eligible for benefits, which include:

- **Daily living expenses**
- **Medical & prescription costs**
- **Rent & Utility assistance**
- **Support of dependents**
- **Burial expenses**
- **Prevention of veteran homelessness**

To help determine your eligibility and see what you may qualify for, please call your local VSO in Nahant to discuss and apply for these benefits. You can locate/email our local VSO, Jon Lazar, at;
