

Nahant Cultural Council Minutes April 29, 2024

Present: Patek, Curran, Blaich, Wilson, Turino, Stubbs, Sparr.

1. Motion to accept minutes of last meeting by David and seconded by Stubbs.
2. Report by Robert Wilson:

This is the first ever photo exhibition of this type. Decision to print and display all 300 submitted photos. Same layout as LaLiberte exhibit. Nine large historical panels about photography and photographers. Robert passed out copies of the layout of the exhibit. Each photo will be labelled, and all photos will be turned over to the Historical Society for archiving. There are 50 historical photos we might want to save. There will be a master list of all photos at the exhibition. We need another \$384. Peg will find out how to accept donations. We could make a digital file available to the owner of a photo since Robert's editing has improved many images. There will be an Excel spreadsheet of photos for gallery babysitters.

Robert provided a detailed budget.

Volunteer jobs:

Vi will help Robert with labels and anything else.

Peg will print the postcard and format and print spreadsheet.
