| Motion: To accept Director's Report Motion made by: Linda Seconded by: Lollie Discussion: The van has been having air conditioning problems and Mary would like to buy another one. Mary will apply for a Grant coming up in January. It has been a robust Fall Calendar including a singing program with the person who runs the St. Mary's Choir, and an art therapy program once a month paid for with a Bliss Grant. The Friends of COA designated \$5,000 to go to Memory Café pre-COVID. It is being re-introduced as the Memory Café Presents with Erica, the art therapist. Mary would like to hire a bus monitor a few days a week, and has a small amount of Grant money to pay for it. Mary requested that Board Members volunteer once a month at the Senior Center so they can observe its day-to-day operation. Board Members should contact Ann to schedule visits. There was discussion of slimming down Mary's Financial-Report, but it was agreed that this should not be done. The Friends of COA file reports using these numbers. These figures are also needed for Grant applications. Linda and Donna are planning to visit the Johnson School and look for possible COA space. Mary will contact Kevin on Tuesday. We are not sure if Groom Construction has been contacted yet regarding COA kitchen renovation estimate. Roll call vote: Motioned, seconded, voted unanimously. BoninEnnisHambletonJenkinsPottsSanphySteinbergTaylorVan Meter Adjourned 10:33 am Respectfully submitted Janet Taylor | ******************************* |
