Alison Nieto, as Town Director of Finances, presented the over budget item to the Finance Committee and the Board of Selectman, to reconcile the deficit. The salaries for the COA transportation services, had an end of the year surplus. This surplus allowed the Finance

Committee to move money from the salaries budget to the purchased services budget. The Board of Selectmen approved the transfer of funding.

Motion made by Donna Steinberg to approve Treasurer's report; Second by Lollie Ennis . No further discussion . Vote : Unanimous to approve .

### Vote #5

### **Director's Report:**

<u>Discussion:</u> New Hours for the COA began in April and have proven to not be appealing to the volunteer staff and the participants. The general consensus was to return to the previous part time schedule of 9am to 1pm Monday through Friday. It was agreed upon with the staff and suggested we start in September. Our numbers did not increase that much. The one change that is remaining, is the start of lunch. It will continue to be served at 12 noon.

There has been a slight increase in activity. We have introduced new card games and continue with the music program. There continues to be field trips that appealing and well attended.

The van continued to be having problems. One problem would get corrected and another one would present shortly afterward. The van was at the garage being repaired, yet again. Discussion continued to explore other possibilities of how to address this problem. Mary presented her wish to explore the possibility oif getting a new van in FY 26. Sheila suggested the use of a volunteer senior work off participant who has experience finding and writing grant requests as a possibility. Discussion also included the possibility of getting a maintenance schedule for the van.

All future discussions will have to include a discussion with the town administrator , once a permanent person is appointed .

Motion to accept Director's report was made by Sheila Hambleton; Seconded by Lollie Ennis . No further discussion . Vote: unanimous.

### **New Business**

New discussion question: The money put aside for the renovation of the town hall kitchen – is that exclusive to be spent on the TH only? Donna Steinberg suggested a meeting with Alison Nieto, Acting Town Administrator to discuss what money is available. Meeting to be scheduled.

Motion to close meeting by Sheila Hambleton, Second by Donna Steinberg.

Meeting adjourned at 10: 40 AM

Respectfully submitted Mary Miner
