Interpretive Panel at Wharf

Pannier Graphics is ready to move forward with the draft panels. Kellie will follow up with Pannier to submit the text and confirm the graphic have been received from Robert Wilson. When the draft is completed the committee will decide on the final placement.

CPC Grant Application

Trish attended the CPC initial grant funding meeting. Both OSC grants were given the initial approval for consideration. January 30th is the deadline for submission. **Paula is planning to meet with Julie Tarmy** in the new year regarding text for historical panels. **Trish and Wendy will begin drafting the proposals and will share** with the committee before submission.

New Business

Letter of support for the East Point Project

Paula has discussed East Point with Josh Antrim regarding the previous request from Elizabeth Berman. A request has been made for the OSC to reach out to the Mass Open Space Network, however specific details of the request are not clear. The committee has agreed to wait for additional details or a formal request from the Town of Nahant to make any further decisions.
