

NAHANT WATER AND SEWER DEPARTMENT – PUBLIC ADVISORY NOTIFICATION

November 29, 2025 – CSO-001

Please be advised that Sanitary Sewer Overflows have occurred from the Nahant sewer system into the drainage ditch on Ward Road. First observed at 10:00am. As of 1:30pm, November 29, 2025, the SSO discharge has been eliminated. The overflow consists, or likely consists, of untreated or partially treated sewage and waste. Avoid contact with these water bodies for 48 hours after the discharge or overflow ceases due to the increased health risks from bacteria and other pollutants.
